

Pleasance Cabaret Bar

Venue Specification

Description

Pleasance Cabaret Bar is a max 175-capacity venue, located on the ground floor of the historic Pleasance complex. The venue has a bar and dedicated toilet facilities, making it ideal for self-contained events. For larger events, a partition can be opened to combine the Cabaret Bar and Theatre Bar.

Access

The venue is on the ground floor, with level access to the main floor level for disabled users. Access to the lower level and stage is via a short flight of steps.

Artist Facilities

There is a small dressing room to the rear of the stage with a sink and convenient access to the adjacent toilets.

Parking

Parking requires a permit from the university, which must be arranged in advance. Please contact the production office for details.

Stage Information

Depth 2.4m, Width 3.6m, Height 0.4m. The stage surface is screen print board, with access treads stage right.

Additional Information
