# EXPERIENCE

## NEW WORLDS

*It has been said that any combination of the senses can be used to help individuals re-live memories of time well spent, distance travelled and cultures experienced.*

Our carefully curated collection of flavours and spirits aims to capture your heart, reigniting forgotten memories, using flavours and an exhilarating experience to forge new ones. Revisit old classics and discover bold and bespoke flavours in an environment like none other.

**Welcome aboard The Barge Cocktail Bar,  
where adventure awaits on the waters of the Brayford  
Pool in Lincoln.**

**Our story begins in the 19th century, when barges were  
a common sight on the River Witham, transporting  
goods and supplies up and down the waterway.**

**Today, The Barge Cocktail Bar offers a one-of-a-kind  
experience that blends the thrill of adventure with  
the sophistication of modern mixology. Our barge has  
been lovingly restored and transformed into a sleek  
and stylish cocktail bar, where you can sip on expertly  
crafted cocktails, beers, and wines while taking in the  
stunning views of the waterfront.**

**So join us for a journey through time and taste, where  
every drink is a toast to the bold spirit of exploration  
and the thrill of the unknown.**
